--

11. **Business activities to be carried out during the licensing year (Jan-Dec)** – Using the information provided in Appendix A, identify the business categories and activities you will carry out. Identify each location of all physical premises from which you will conduct the business activity. If this is a new application, you will be assessed on the minimum fee level pro-rated according to your commencement date. If this is a renewal, you must allocate your total turnover for the last year across your business activities and locations. In instances where your annual turnover for a business activity and location is less than VT 4.0 million, you will be charged the minimum license fee rate. Applications should be made to the municipality or Local Government where the business activity will be conducted. If you are operating in the F category, you must also identify your estimated turnover for the current licensing year.

Business license category	Business activity	Location	Actual turnover last calendar year	Estimated turnover current licensing year	(for office use) License Fee

12. Total Number of Employees:

	Ni-Van	N/C (Non-Citizen)
Full Time:		
Part Time:
